

MARSHALL MOUNTAIN PARK

slow & say
hello!

Mountain Bike Difficulty Ratings

- Easier**
Typically gentler grades, with some obstacles, some of which may be unavoidable. Expect to encounter infrequent unavoidable obstacles. May include extended climbs and tight switchbacks.
- Difficult**
Challenging terrain with relatively moderate grades and variable trail surfaces. Expect to encounter some unavoidable larger obstacles and technical features.
- Very Difficult**
Very challenging terrain requiring advanced rider skills. Expect to encounter steep grades with variable surfaces, including larger unavoidable mandatory advanced obstacles and technical features.
- Expert Level**
Exceptionally challenging extreme terrain, requiring expert riding skills. Expect to encounter very steep grades with highly variable trail surfaces, including severe unavoidable mandatory advanced obstacles and technical features.
